*Sonesta Hotel Orlando Downtown*

Sonesta has added a new downtown hotel to the Collection – the **Sonesta Hotel Orlando Downtown** features 341 rooms and 1,800 square meters of meeting space. The hotel is conveniently located in the downtown business area, near the cultural district, with easy access to I-4, the Citrus Bowl and Amway Arena, and Orlando's many attractions including Universal Studios, Leu Gardens, Orlando Museum of Art, SeaWorld, and Discovery Cove.

The hotel, which recently underwent an extensive \$10 million renovation, boasts a rooftop heated pool with dramatic views of the Orlando skyline, fitness center, club level with private lounge, contemporary guest rooms offering wireless high speed internet, and lobby business center. Dining options include a full service restaurant, lobby lounge and coffee bar.

An additional four million dollars will be invested by the hotel's owner to rebrand the hotel to Sonesta standards, including 37 inch LCD-HD televisions and Sonesta's luxurious bedding package with 250-thread count Egyptian cotton sheets and hypo-allergenic European down blankets and pillows.

For more information visit the hotel's website at: [Sonesta.com/Orlando](http://Sonesta.com/Orlando)

Best Regards
